Education

Intermediate

Oxford Public School - Percentage - 82%

High School

Oxford Public School - Percentage - 90%

Projects

Memory Game:- Bulma CSS | Pokemon API

- Implemented a game where users have to select from the given cards remembering their choice, such that previously selected cards are not selected again.
- Designed an algorithm to display a random set of cards at every play.
- Used AJAX request to fetch Pokemon data and images.
- Used Bulma CSS for minimalist design

Restaurant's App:- Express js | Embedded js

- User authentication with cookies.
- REST API with multiple endpoints to server AJAX requests.
- Server side dynamic rendering with embedded js.
